Biography

Jeffrey K. Riddle is an associate and member of the firm's Intellectual Property Practice Group. His practice covers all areas of intellectual property law with an emphasis on drafting and prosecuting patent applications in the electrical, chemical and mechanical arts. His clients range from individuals to major corporations. Jeff has experience in preparing and prosecuting patents in the areas of computer architecture and storage systems, printing systems, display systems, and method patents, among others. Jeff also has experience in the preparation, filing, and prosecution of U.S. trademarks. Prior to joining the firm, Jeff worked for a national intellectual property law firm.
